Dick Masson says he and a small group are working on a project or two to get us into some activities. Anyone and everyone is invited to participate, don't be bashful.

Gary mentioned how he is going to send me the audio file and photos of the meeting today by using a web site called [www.filemail.com](http://www.filemail.com). You can send large files and you don't have to sign up for anything but for the free service, your limited in how many times a day you can use the service.

The Foundation still has a Cemetery plot & Burial Vault at Chapel Hill Cemetery in Centennial. Contact Carl or Tim if interested. When I get the link for Craig's list I will send it out.

Put your thinking caps on and come up with ideas for programs. Our Directors are running out of ideas. Also, how about some club events?

Doug Harder is our new Membership Director and handed out a sheet with places to enter names or places to find potential new members. Everyone is expected to participate.

Our New Web link...[https://arapahoertoma.org/](https://arapahosertoma.org/) built with the help of Karie Farr, whose business is [www.ideashop.com](http://www.ideashop.com).
